FREIGHT TO INDIA

Sea Freight

We can offer door to port only. No door-to-door service available. Will collect from your door and deliver to your nearest port in India. IN

You may have to collect from the port. If you are holding Indian passport, you may claim some custom duty allowance. It is completely up to the Indian customs regulations, and we may not predict or give estimates on customs duty.

AIRFREIGHT

We may be able to do door to door on airfreight. Rates are varied on the weight and the measurements of the package. Once you produce the weight and the measurements with actual post code (PIN number) in India IN we may be able to generate the quote. It will take 7-10 days from the flight date to deliver to your home in India IN. Depending on nature of your goods there may be customs duty, and you may have to pay them separately at the customs. 📄 we may be not able to predict on customs duty. Also please refer below 🗑️ restricted 🚫 item list before you pack the package.
